

3D Studio Max Visualiser and PC Supporter at CAPS Architects

London, United Kingdom

We are a long established internationally operating architecture and interior design practice, with a focus on high end commercial and residential projects. Originally operating from Zurich, we are now opening an office in London and are looking for:

Experienced 3D Studio Max visualiser and PC-Supporter.

We are seeking a highly motivated individual.

Key elements of the role will include:

- Excellent ability to visualise design concepts and produce high end presentations that convey design intent
- Proficiency in 3D Studio Max, V-Ray, Adobe CS, and experience with AutoCAD
- Excellent modelling, texture mapping and lighting skills, ability to produce animations
- Capacity to interpret design sketches and CAD documents
- Creative, open-minded and flexible
- Result driven, very organised, highly efficient
- Great attention to great time management skills
- Excellent teamwork skills

Working with us:

For all our positions we offer a competitive salary, training and development opportunities and support.

We are a friendly, flexible with a sustainability commitment office.

We are located at Notting Hill Gate, London, close to a wide range of social, recreational and cultural facilities.

Job starting date at earliest convenience.

We are committed to equal opportunities.

How to apply

You must be eligible to work in the UK.

If you would like to apply by email, send your CV along with some work samples preferably in one attached PDF file to:
